Photoshop, MongoDB, Workbench, Insomnia

## /Professional Experience

### Illegal Petes-Denver,CO

Assistant general manager  
February 2017-Present

Implemented strong leadership skills and the ability to  
foster a team-oriented environment

Honed in my communication skills by talking my team  
members through their everyday tasks and supporting them  
through high-stress and quick pace situations

Advanced my ability to problem solve and manage time  
through not only leading a team but also creating an  
ideal experience for our customers

### New York Rigging Corp.-New York,NY

Project Manager  
August 2012-August 2016

Coordinated heavy lifting initiatives which included  
communicating and working with multiple third-party  
contractors and specialized laborers

Delegated my team's daily duties and oversaw the quality  
of their work for the executives of the company

Standardized a successful workflow so that my team and I  
could complete our jobs efficiently under tough  
time constraints

## /Education

### University of Denver

July-October 2021  
Certificate in Full-Stack Web Development

### Nassau Community College

July-October 2010-2012  
Associates Degree in Engineering Science

## /Extracurricular

### Rocky Mountain German Shepherd

Dog Trainer  
December 2016-Present

Worked towards getting my dog AKC Good  
Citizen certified. In this time I fell  
in love with training dogs and decided to  
extend my knowledge to other people who needed  
help getting a better handle on their pups

### School of Rock

Band Mentor  
June 2019-Present

As a hardcore music lover, and former vocalist  
and guitar player for Animus Apart, I decided  
to extend my knowledge to kids in my area. A  
few times a month we meet and I help them write  
music, jam out, and even up their stage presence.

## /Other Interests
